

# Gateway Pro BT

Part no. GWP1xxx

**Bluetooth handsfree, music and iPod, iPhone, USB music playback all-in-one interface**

**Dension Gateway Pro BT** connects iPod, iPhone, Bluetooth phone or a USB storage device to the original car radio, providing

- ▶ **handsfree calls**
- ▶ **music playback**
- ▶ **menu based control and text browsing**
- ▶ **device charging (1A)**

The Gateway Pro BT also offers hands free mobile call handling, and Bluetooth connectivity for music streaming (via A2DP). All controlled through the radio or steering wheel controls and displays your information on the cluster display (between the dials). The Bluetooth chip is installed on board.

## Installation:

Due to the longer car side harness the device can be installed in the glovebox.

## Package contents:

- ▶ Hardware
- ▶ Car side harness
- ▶ Installation and user guide
- ▶ Microphone

## Optional accessories:

- ▶ Connector Port (EXT1CP2)
- ▶ Dock Cable for 1A charging (IPO5DC9)
- ▶ 3G cradle (IP44CR9)
- ▶ Aux connection through the Connector Port (CABL-AUX)

## Control

**Gateway Pro BT** incorporates the iPod UI mode which makes it available for the user to control music playback through the original interface of the device.

The **Phone option** provides full access to the phone book and call logs (received, missed, dialed).
